

Thurston Nature Committee Meeting

Tuesday Feb. 13, 2024

7:30 pm via Zoom

Attendance: Colin Brooks, Beth Caldwell, Jeff Hamilton, Pam O'Neal, Jim Vallem, Holly Zechar

- The trail flooded in low point again after work was done by AAPS.
- Jeff will inform AAPS about the flooding issue.
- Possible workday: remove non-native alders and brush, buckthorn and honeysuckles.
- Jim has received burn permit, will send the bill to Holly. Looking to schedule next burn in the Spring.
- Suggested to schedule a wood chip workday.
- Samuel Fort reached out on Eagle project working on walkways on the Northeast trail.
- Jim will contact Samuel to meet and discuss the project.
- Walkway on OHAC property, will need to confirm with OHAC board.
- Thurston Players production on March 16th and 17th
- Future projects: maintenance on the bridge and fix Plexi-glass on displays
- April: wildflower walk
